Application to Adopt a Dog

Completely fill out & sign application. You will receive a response within 7 days , & applications are held for 30 days if we do not currently have a dog that fits what you want/need. We will schedule a time for you to meet the dog you are interested in, and then make adoption arrangements at that meeting. If you are local, will then bring the dog to your home, which will serve as the home visit, and go over all the paperwork and collect the adoption fee. If you are not local, we will ask for a few photos of your property & where the dog will be spending its time, before allowing you to pick up the dog and take him or her home.

I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand that the Hominy Valley German Shepherd Rescue (HVGSR) reserves the right to annul the adoption and reclaim the animal, with no refund being given. I give HVGSR permission to fully investigate the information provided as well as contact veterinarians and other related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a HVGSR representative before an adoption decision is made.

In addition, I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is HVGSR's prerogative to decide which home is most appropriate and that their decision is final, and therefore I will not argue with the decision. Unless otherwise indicated by HVGSR, I am free to apply and undergo the application process again in the future, if HVGSR does not currently have a dog to meet my needs.
